浙江精制电气有限公司

ZHEJIANG  
**JINGZHI ELECTRIC**  
CO.,LTD.

PRECISION METAL  
STAMPING MANUFACTURER  
精密五金冲压制造商

浙江精制电气有限公司自成立以来，专注于精密五金冲压的制造。公司产品广泛应用于电子、家用电器、工程机械、通讯电源、汽车及电脑周边设备。公司坐落于乐清经济开发区，紧临 G15 高速和温州机场，离乐清动车站 15 公里，交通十分便利。

自成立以来，公司一贯秉承“科技、进取、诚信、卓越”的经营理念，不断创新和发展，为客户提供各种产品解决方案。公司全面推行 ISO9001 质量体系管理，实现产品质量管理的标准化、程序化、系统化，确保产品质量的稳定性及可靠性。

精制电气拥有多方面的高级专业人才，先后不断引进具有国际先进水平的各类生产设备，保证公司能够根据不同需求灵活选择最佳的生产方式。模具部技术力量雄厚，制造设备精良，可独立设计、制造各种冲压及成型模具。多年的行业积累和经验，为精制的发展奠定了良好的企业基础，先后为多家国内知名企业配套服务，与客户共同成长，共同进步；专业的团队，做专业的工作，是精制一贯的管理理念，公司具有独立的品质团队，确保公司管理和产品品质始终如一。通过认真贯彻和学习 ISO9001 体系文件，不断提升员工素养和工作能力，使得每一个员工都学有所长，学有所用，不断创造岗位业绩的新高度。

卓越的品质，诚信的理念，为精制赢得了客户永久的信赖及赞誉，面对未来，精制将恪守“科技、进取、诚信、卓越”的方针，服务于各行各业的合作伙伴，与客户共同发展和成长，建造现代化工业企业。

Zhejiang Jingzhi Electric Co.,Ltd is specializing in manufacturing of precision hardware since it was established. The products are widely used in electronics, household appliances, engineering machinery, communication power, Jingzhimobile and computer peripherals. The company is located in Yueqing Economic Development Zone, which is close to G15 highway and Wenzhou airport, also, it is 15km away from Yueqing Station, and therefore, the traffic is very convenient.

The company has always adhering to “technology, progress, honesty, excellence” business philosophy and constantly innovate and develop to provide customers with a variety of products solutions. The company comprehensively implements the ISO9001 quality system management to realize the standardization, routinization and systemization of products quality management, and to ensure stability and reliability of products quality.

Jingzhi Electric has various senior professionals, and it has continuously introduced international advanced production equipments to make sure that the company can flexibly choose the best mode of production according to different requirements. With strong technical force and excellent manufacturing equipments, Mold dept. can independently design and manufacture all kinds of stamping and forming dies. Years of accumulation and experience lays a good foundation for the development of Jingzhi, and it offers supporting services for many well-known domestic enterprises, to grow up and make progress with customers together. Professional team to do the professional work is consistent management idea of Jingzhi. The company has independent quality team, to ensure the consistent of company management and product quality. Through carrying out and learning of ISO9001, to continuously improve staff quality and work ability, and let every employee learn to be professional and practice and then constantly create new heights of job performance.

Excellent quality, good faith, Jingzhi wins customers trust and praise. It will continue to abide by the principle of “technology, progress, honesty, excellence” while facing the future, and serve all cooperative partners, develop and grow up with customers, to build a modern industrial enterprise.
